

Reflexion^{BACKLIT}

NEW

New angled channel bars

Thinner for a more compact transportation (30 mm thick instead of 50 mm).

NEW

New LED strips

With baffles for better light diffusion.

Section
of 1x1

Bag included.
Can contain one $\times 3$ curtain
(in 3 sections) and a transformer

NEW

New traceability system

Over the years, our Reflexion stand has gone through many changes : straight or curved, backlit with standard bars or angled bars, with TV and shelving... Which means reprinting a graphic very complex.

Just to avoid errors and to make it easier when you order just a reprint, we have implemented this system.

You will find a sticker with a code on all Reflexion and some custom product that we produce.

NE PAS RETIRER CETTE ÉTIQUETTE
de référence à donner pour
réimpression de tissu

DO NOT REMOVE THIS LABEL
Reference # to give for
fabric reprint

S-334-01

When ordering, please specify
this code for all reprints.
